

JULY 9-10, 2016 IN ATLANTA GEORGIA

8TH ANNUAL **7 MINDSETS** UNIVERSITY

Changing Mindsets. Changing Lives.

ATTENTION EDUCATORS AND YOUTH LEADERS!

Are you passionate about helping young people live to their potential and positively impact the world? Attend **7 Mindsets University**!

7 Mindsets University is a one-of-a-kind training event delivered by experienced and dynamic youth empowerment leaders and world-class educators who are currently implementing the **7 Mindsets Academy** social emotional learning program.

Based on groundbreaking research, attendees learn proven strategies for empowering students and educators to dream bigger, tap into their passions, work better with others, be more accountable and act with a greater sense of purpose.

"Culture is the silent stream that runs deep in our schools. The 7 Mindsets have the power to significantly improve the culture of your school."

– CONNIE STOVALL, DIRECTOR OF INSTRUCTION, K-12, FORSYTH COUNTY SCHOOLS, GA

7 MINDSETS UNIVERSITY

JULY 9-10, 2016
IN ATLANTA GEORGIA

This annual event brings educators to Atlanta from around the world for two inspiring days:

Day 1 - 8:30am to 4:30pm

Become inspired by the **7 Mindsets** and understand how to incorporate them into your own life

Day 2 - 8:30am to 3:30pm

Learn how to teach the **7 Mindsets** and utilize the **7 Mindsets Academy curriculum***

*Guided by market-leading social and emotional educators, attendees will participate in one of three tracks based on grade level:

- **Elementary Excellence** – Learn tips and techniques to engage Kindergarten through 5th grade students using the 7 Mindsets as a foundation for building expectations and intrinsic motivation.
- **Middle School Success** – Acquire strategies for empowering Middle School students with the 7 Mindsets to build self-esteem, resilience and self-determination capacities.
- **High School Achievement** – Inspire High School students to dream big and actively pursue their authentic college and career plans through the 7 Mindsets Academy curriculum.

This event is an incredible opportunity to meet and exchange ideas with leading educators from around the country. Attendees are also invited to join our private **7 Mindsets Academy Educator Facebook Community** and remain on the leading edge of Social Emotional Learning.

"Our teachers, Nikki and Chelsea, brought the Mindsets back to our school after 7 Mindsets University two years ago. The transformation that has taken place at Mashburn Elementary has forever impacted the lives of our students. 7 Mindsets have helped us tap into the hearts of our future in ways we never could have imagined."

– TRACEY SMITH, PRINCIPAL, MASHBURN ELEMENTARY

"7 Mindsets University was a tremendous opportunity to meet and stay connected with some of the best educators from around the world. I have developed friendships and relationships that will consistently help me be a better person and educator."

– AMANDA GLASS, HIGH SCHOOL COUNSELOR

"It is so powerful to observe the impact of the 7 Mindsets on students. It's like the veil that is covering the secret to success is lifted, and they begin to realize that it is within their control to choose to embrace the mindsets which will ultimately change the trajectory of their lives."

– AMY HODGSON, MICHIGAN SCHOOL SUPERINTENDENT
